FELCO, INC.
ENGINEERING
LAND SURVEYING

AUTHORIZATION AGREEMENT

If you would like us to proceed with your project as detailed in the preceding estimate, please sign this Agreement, keeping (1) copy for your records. Please mail the Agreement along with the information requested below to: *FELCO, INC.*, P.O. Box 1366, Orleans, MA 02653.

The following items will be required in order to complete your project:

- ☐ Retaining Fee.
- ☐ A description/sketch stating the approximate location of your well/water supply.
- ☐ A description/sketch stating the approximate location of your septic system.
- ☐ A hand-drawn sketch of the existing floor plan. The Town of Chatham requires a scaled drawing.
- ☐ A copy of your new house plans or addition plans.
- ☐ A house key - for access to measure location and depth of waste line exit.
- ☐ Well Water Test Results
  These results are required for any variance filing that may be necessary. Bottles for water sample may be obtained from the Health Department at Town Hall. Return the sample to them and it will be sent out for analysis.
